

Geese Autumn 2 Newsletter

Welcome to Autumn 2 2024- 25!

We hope you have had a wonderful half term and are ready for an action packed Autumn 2!

Our learning will be centred around **Autumn and Christmas** this term.

Adults working in the room

Class Teachers: Ms Kelsall

Specialist teacher:

Ms Castellvi (Art and Forest School)

Coach Terry (P.E.)

The EYFS Curriculum

There are 7 areas of the EYFS curriculum which we cover in our indoor and outdoor provision. These areas are:

Prime Areas

- Communication and Language
- Personal, Social and Emotional

Development

- Physical Development

Specific Areas

- Literacy (writing/reading)
- Maths
- Understanding the World
- Expressive Arts and Design

Maths

In Nursery, children will build on previous learning by comparing objects according to their properties and quantities. They will explore and talk about patterns in the environment. They will use natural resources to create their own patterns. They will also begin to categorise and sort different objects according to their properties and will continue to select a small number of objects from a group.

Literacy

Our core texts for this term are:

- The leaf man
- The everywhere bear
- Dear Santa

Throughout this half term we will build awareness of sounds in our surrounding environment. We will ask questions and share ideas about a book, including character description and drawing characters from the text. Children will begin to notice repeated refrains in stories and will retell stories using story maps and

props. We will engage in discussion and make connections to our personal experiences, by expressing our ideas or mark make via a variety of tools.

Topic

Autumn/people and places/Christmas

In the first three weeks, we will be exploring the Autumn season and discussing the changes in weather, plants and Autumnal animals. We will be experimenting with various sensory Autumn objects and natural resources such as pumpkins, conkers, leaves, and pinecones. In the next three weeks, children will share their own experiences of something they care about and discuss how and why they have to look after something special to them. They will build on their previous learning in Autumn 1 about taking up responsibility for looking after our family, friends, and pets. In the last week, children will develop an understanding of the celebration of Christmas. We will discuss what it represents and how it is celebrated in different families, in different ways.

Reading Book packs

We will be giving out reading book packs to children and family to read at home. This includes activities relevant to the story that supports children's writing and communication skills. Each book pack will be given out **every Friday** and should be returned on the following **Tuesday**.

Forest School

Our first forest school session of this half term will start from week 1, 5th November and will run every Tuesday from **8:45- 11:30 and 1:15-3:15pm** This will be a great opportunity for your child's learning and holistic development. Children will need labelled wellies and weather appropriate clothing.

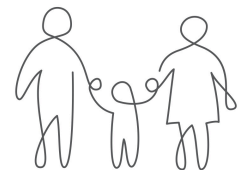

Family Fridays

We would like to welcome you into our class to do an activity with your child from 9.00-9.30am **every other Friday**.

Week 1: Making Rangoli patterns to celebrate Diwali

Week 3: Making leaf men with leaves, sticks and googly eyes.

Week 5: Making snow globes - bring a plastic water bottle if possible.

Donations

If you have any recycling to donate such as boxes, water bottles this would be appreciated for our junk modelling and christmas arts and crafts sessions.

Any old Christmas decorations, wrapping paper, Christmas cards etc.. would also be appreciated for when we look at our Christmas topic.

Gainsborough Keeps

Our Gainsborough keep focus for this term is linked to 'Keep Green.' We will be learning about ways we can protect food production, such as by planting our own herbs and plants in the garden and using them in our cooking activities.
